

5 Marks

_____ have been marked in Mr. Flaig's red book **FIVE** times during Physical Education this semester due to poor participation, disregarding teacher instructions, misbehaving or behaving in an unsafe manner, or crude actions and/or attempting to destroy school equipment.

Due to this action, I have had a verbal warning, a time out, filled out a reflection sheet during regular class time and have written an apology during a recess period. Please meet and return to school as soon as possible. In the event of another incident this semester I will attempt to contact using the school registered phone number for this contact.
