

Name/Title: Body System SWA-BATT Game

Purpose of Event: The purpose of this activity is for students to have fun while learning about a body system, what organs are involved, how organs function and what can be done to keep the body system healthy.

Suggested Grade Level: 9-12

Materials Needed: A SWA-BATT (Flyswatter) for each team of 4-5 students, it helps to have a variety of colors. A list of multiple choice questions.

Description of Idea

Students are grouped into teams. Teacher writes a word bank on the blackboard. Teacher explains rules of play: SWA-BATT is only to be used on blackboard (no swatting anything else!). First SWA-BATT on correct answer gets 10 points, second is 5 points, and 1 point for third. Each team selects order in which students will play.

Teacher reads a question or fill-in-the blank statement aloud (or selected student can read). Student selects response by swatting it with the SWA-BATT. Student keeps SWA-BATT on board until teacher completes recording points.
