Name/Title: **Follow the Leader**

Prerequisites: Space Awareness, Pathways, Locomotor skills

Suggested Grade Level: K - 2

Materials Needed: Posters of Pathways on wall

Description of Idea

Once students are in partners, the teacher calls out a Pathway (straight, curve, zig zag). One partner will lead while the other will follow him/her in the pathway that the partner goes. When the teacher says switch then the students switch partners and do the same thing.

Variations:

As students improve, add a locomotor skill with a pathway (I.e., gallop in a zig zag).

Adaptations for Students with Disabilities:

Students can pick a partner and together think of a skill that they can do. Students can use their hands.
