**Description of Idea**

Welcome to the 2017 Holy Trinity Field Day ?A Field Day Masterpiece!? 

Note: This was such a fun field day! The students, parents, and teachers loved every bit of it! (Clearly, there are some games that are not 100% made up, but are very common. Clearly, I am not taking credit for these games. I just think adding all these games together, with an artistic twist, was A LOT OF FUN!

A few guidelines:
Head leader: Team Teacher makes all necessary calls. Positively encourage team and guide team to follow rules. No adults participating in tasks unless noted.

Team Captain: 8th grade student. Shows leadership and encourages team.

Team Parent: To help encourage team and cheer them on. Help navigate through the day. No participation in games unless noted.

Goal of Field Day: TO HAVE FUN! NOT TO COMPLAIN THAT "THEY CHEATED" or "BUT WE BEAT THEM!"

**If your team only has 14 players, please rotate and have a player go twice. Do NOT always pick the same student to go twice.
