Name/Title: **Coach's Eye Technology Tool**

Purpose of Event: To use technology during class to assess student learning.

Prerequisites: Teacher needs to have devices available such as iPads or tablets for students to use (the number of tablets depends on size of classes). Download the Coach's Eye App
. Teacher demonstrates use of Coach's Eye and how to record a video.

Suggested Grade Level: 3-5

Materials Needed:
5-10 iPads or Tablets
5-10 soccer balls (or equipment for skill you wish to assess) Coach's Eye App

Description of Idea

Students will practice manipulative skills while self-assessing and peer-assessing in the process.

-Break students into groups of 3-4 students.
-Students will video each other performing the skill using the Coach's Eye App.
-Students will then use slow motion on the video to assess themselves and peers performing the skill.
-Once assessment is complete video is deleted.

Assessment Ideas:

I use assessments created by Pete Charette.
They can be purchased at Cap'n Pete's Power PE
Assessments can be checklists made to fit your criteria.
