

Name/Title: Behavior Take Home Notes for Physical Education

Purpose of Event: To communicate with parents how their child is behaving in their physical education class.

Suggested Grade Level: K-5

Materials Needed: Behavior notes ([Editable PowerPoint](#) | [PDF](#))

Description of Idea

These behavior notes are perfect for the Physical Education teacher who wants to communicate home exactly how their children are doing in class. With these colorful notes you can not only communicate home with parents but work with the children through praise and constructive criticism. Use it to talk with the children so they can improve their behavior and so you can also be very positive and supportive of their behavior in class.

You can edit these (use PowerPoint) to make them your own or you can download and print them as is using the PDF.

What They Look Like

Teaching Suggestions:

Make sure you speak with the child about the note before it goes home. This is a great teachable moment and kids usually come back eager to take part in physical education.
