

Name/Title: The Chicken Dance Drum Fitness

Purpose of Event: To work on rhythm and maintaining a steady beat. This is a basic routine, preparing students for more challenging ones in the future.

Prerequisites: I usually complete a rhythm lesson with just the drumsticks on the floor first. This is where I teach safety while using drumsticks on the floor.

Suggested Grade Level: K-2

Materials Needed:

*Set of drumsticks, or lummi sticks for each student.

*Music

*[Written Routine Steps \(PDF\)](#)

*Video (see below)

Description of Idea

Once the routine is taught it can be used as a warm up throughout the year. Can be used for grades 3-5 as well.

To teach the actual routine we usually sit in a circle and I teach the students the routine while they are sitting. This allows me to help any of the students are are struggling. This is where I also teach the students rhythm and how to count.
