Name/Title: **CAMP FIELD DAY at Home (During COVID-19 Pandemic)**

Purpose of Event: Due to the COVID-19 this year, students were still able to enjoy Field Day from their homes. These stations were created by simple household items. Students will get to enjoy time with their families while participating in these stations.

Suggested Grade Level: K-2

Materials Needed: Equipment is listed in the description for the stations.
Camp Field Day Description (PDF) (DropBox Link)
Blank Form to Complete with Own Ideas (PDF) (DropBox Link)

Description of Idea

Students will create their own Field Day stations at home for this year. The equipment will be simple household items. These stations could be performed indoors or outdoors.

Each station is camp related, but doesn't have to be. Students can share their creativity by creating their own stations. Students can compete against family members for the stations they create.

There is a blank outline for students to create their own.

See all of the PE At Home Ideas from Drew in this wonderful blog post.

Teaching Suggestions:

Students will need to have supervision with them at all times during the stations.
