Suggested Grade Level: 10-12

Materials Needed: Posterboard, markers, tape, glue, index cards, crayons, colored pencils, scissors, and anything else the students may request.

Time Needed to Complete: Approximately 90 minutes to complete. Leave 40 minutes to play other group's games and evaluate them. This works well if you are on a block schedule.

Description of Idea

Students will be assigned a first aid topic and have to create 15 - 20 questions using their first aid manual and other resources on the topic they are assigned. These will then form and be incorporated into a board game. All topics are covered in previous lessons. Topic examples could be Burns, Hypothermia, Severe Bleeding, etc.
