Name/Title: Basketball Man Defense

Purpose of Event: To assess students knowledge of man to man defense.

Suggested Grade Level: 6-8

Materials Needed: Sheets below.

Time Needed to Complete: 10 minutes

Description of Idea

This assessment is designed to have the students think of man-defense in basketball in a realistic way. Kids do play basketball at playgrounds, parks, rec. centers, etc. Many times, if there are lots of kids and only one court, the winning team stays on the court. For this reason, kids really want to play well and win. If they play man-defense properly, their chance of winning is greater.
