Name/Title: Throwing and Catching

Purpose of Event: To determine if students can recognize and identify a critical element of throwing or catching in a photograph or picture.

Suggested Grade Level: 3-5

Materials Needed: Picture Project assessment sheet, construction paper, books, magazines, newspapers.

Time Needed to Complete: One week.

Description of Idea

Students will be given one week to find a picture which illustrates one of the critical cues for throwing or catching and mount it on construction paper. They will neatly label the picture with the name of the skill and critical cue.

To view the assessment sheet you will need to download the free Acrobat Reader program. Click here to download.
