Name/Title: **Soccer Skills and Technology**

Purpose of Event: To check student's understanding of different soccer skills, techniques and cues, along with their technology skills.

Suggested Grade Level: 3-5

Materials Needed: Digital cameras, access to computers with Imovie, or powerpoint, poster board, printer.

Time Needed to Complete: 60 minutes.

Description of Idea

Students will use a digital camera to take pictures of their partner completing one of the different soccer skills: kicking, passing, dribbling and trapping. Students will then make a power point presentation, an imovie or a poster. They will list all the proper cues for each skill.
