

**Name/Title:** Superstars

**Purpose of Event:** To provide the students with a fun, quiet activity while waiting for their classroom teacher

**Prerequisites:** none

**Suggested Grade Level:** K-2

## Description of Idea

Have students line up ready to leave. I pick two students to be the first "Superstars". They count 1,2,3 superstars! When they are counting the other students dance in place and when they say superstars they strike a pose. The superstars pick someone to take their place.

My rule is that girls pick boys and boys pick girls.
