Name/Title: 100th Day of School

Purpose of Event: To demonstrate motor and sport skills while counting to 100.

Prerequisites: Students should have prior practice of dribbling, jumping rope, running, toss and catch, and striking.

Suggested Grade Level: K-2

Materials Needed: Worksheet and pencil for each student. 5-7 playground balls, jump ropes, hool-a-hoops, beanbags, paddle and balls.

Description of Idea

Students will complete the 100th Day Activities/PE worksheet by placing a check mark next to each task after completing it. If someone finishes early, ask them to make up their own 100th day activity.

100th Day of School Activities

Assessment Ideas:

Using a teacher checklist, note the students motor and sport skill performances.
