

Name/Title: Lifetime Activities Photo Assessment

Purpose of Event: To assess students on their understanding of movement concepts, activity tactics, and principals on the activity of their choice.

Suggested Grade Level: 9-12

Materials Needed: Computer, [Facebook Account-fan of the PE 380 page](#), any picture may be used, [Lifetime Photo Assessment](#)

Time Needed to Complete: 20-30 minutes (student time)

Description of Idea

On Facebook-Students will choose an activity that was performed in class and create an explanation of a photograph focusing on the activity (20 pts). Through the description of a photo they choose, each student will document the knowledge they have of the activity.

Explanation should include:

- Name of the activity
- What type of area the activity needs to be played on.
- Do you need to be with partners or in a group?
- What type of equipment needs to be used to play the activity?
- Briefly explain the scoring system and rules used when playing the activity.
