

PE Central Professional Development – Online Courses

Enroll Now: swww.teachable.com

Course: Using the Formative Workshop Model for PE Instruction

Course Dates: Ongoing

Cost: \$59.00

Credit: 7 hours of professional development (No grad credit or CEU's available)

Instructor: Bryan Capes, Elementary PE Teacher, Puckett's Mill Elementary, GA

Assignments:

- Read information about the model.
- Post discussion board answers and take a quiz based on readings.
- Create a Mini lesson based on understanding the Model

Who Should Take: Elementary physical education teachers.

Course Purpose/Description: This course is designed to help teachers understand each step of the Formative Workshop Model of Physical Education Instruction. My goal is inspire physical educators to implement this system in their classrooms so that students will master the skills necessary to enjoy physical activities and become the most skilled movers possible. The course will cover each aspect of the model so that teachers will be comfortable using the model in their class!

Benefits:

- Flexibility - Complete assignments at your own pace and schedule
- Grade free - Complete your assignments, get feedback from instructor and platform.

What you will get out of the course:

- 7 hours of Professional Development credit (check with your principal)
- Certificate of completion

What you need to take the course:

- Access to the Internet using a computer and/or tablet and ability to view videos, PDF and Microsoft Word documents.
