Course: Creating an iPad Toolkit for PE

Course Dates: Ongoing

Cost: \$59.00

Credit: 8 hours

Instructor: Scott Dyer, PS 251 The Padergat School, Brooklyn, NY

Assignments:

- Review videos of Apps and write reflections about what was learned
- Implement the use of many Apps and reflect on experience

Who Should Take: Grades K-12 physical education teachers.

Course Purpose/Description: The PE teacher will create a future reference tool with a vast array of Apps that will increase participation, promote student motivation, and change the way they conduct assessment of their students. Their completed iPad toolkit will help with the tasks such as preparing and administering information (fitness scores, class participation, motor skills, etc.), which can be done more efficiently with the use of the iPads in the physical education classroom.

Benefits:

- Flexibility - Complete assignments at your own pace and schedule
- Grade free - Complete your assignments, get feedback from instructor.

What you will get out of the course:

- 8 hours of Professional Development credit (check with your principal or PD Dept.)
- Certificate of completion

What you need to take the course: You will need a computer and an iPad, Microsoft Word, and a Google Drive account (optional but very helpful). You may use any valid email address to contact the instructor or turn in materials.
