

Survivor Challenge

In the year 1690 the great ship Spartania was overtaken by Pirates in the very waters you see before you. However, before the ship was overtaken the crewmembers of the Spartania dumped the contents of their treasure chests overboard.

Your mission is to recover the lost treasure of Spartania and bring all you gather back to your side. You must use your masks, fins and snorkels to complete this mission.

- The red coins are worth 1 point
- The black coins are worth 2 points
