

Using Plagnets to check for understanding in PETE courses. This is a quick and simple way to see if students are understanding the content being taught in PETE courses. I use the Plagnets as a way to show students how to use technology to gather assessment data as well as checking for student learning. Listed are a few samples of questions that can be used to check for understanding.

**I understand that there is a connection between the PE standards and the 3 domains (Cognitive, Affective and Psychomotor)**

- A Not yet
- B Getting There
- C Got it
- D Wow

**I have a good understanding of how to write student learning objectives.**

- A True
- B False

**I have a solid understanding of how to write lesson plans and lesson objectives**

- A Not Yet
- B Getting There
- C Got it
- D Wow

**Your first peer teach is next week, are you ready?**

- A Not Yet
- B Getting There
- C Got it
- D Wow
