

## 2<sup>nd</sup> Grade Expedition Challenge

**Starting at the blacktop it is your task to find all the landmarks on your list. For it to count, everyone on your team must touch the landmark and have a teacher initial off on your sheet.**

☀ Choose the order of the landmarks wisely! How can you make sure you get the most done in the shortest amount of time?

The Washington State painted on the blacktop		The wooden fort on the upper level of the playground	
Old rusty water fountain with a round top		St. Anne's Boosters Club Plaque	
A Tether ball pole		A black trashcan	
A grey plastic toy bin with a lock		Rock garden by the U.S. map blacktop	
Large Chessboard		A swing	

Expedition Souvenir: A canteen of water

Next Stop: Illinois

## 2<sup>nd</sup> Grade Expedition Challenge

**Welcome to Illinois: The beginning of your journey which will eventually take you 28 months and over 8,000 miles. Read the list of supplies and make sure that you gather each one. However Sacagawea must guide the other teammates since they are “blind” without her!**

Firewood (Noodle)	
Food (Rubber Animal)	
Rope (Jump Rope)	
Keg of Pork (Bucket)	
Spare Clothes (Jacket)	

Expedition Souvenir: A valuable gem for trading

Next Stop: Idaho
