

Dear Physical Educator:

We would like to invite you to attend our upcoming workshop on Project Based Learning in Physical Education. PE Central is providing three wonderful presenters who will offer insights and strategies on how to incorporate personalized learning, in the form of projects, in elementary, middle and high school physical education classes. We hope you find these workshops informative and valuable. Full details about the sessions are below. We are looking forward to seeing and working with you.

Curt Miller (HPE Teacher on Special Assignment) and Mark Manross (PE Central)
